## About Us

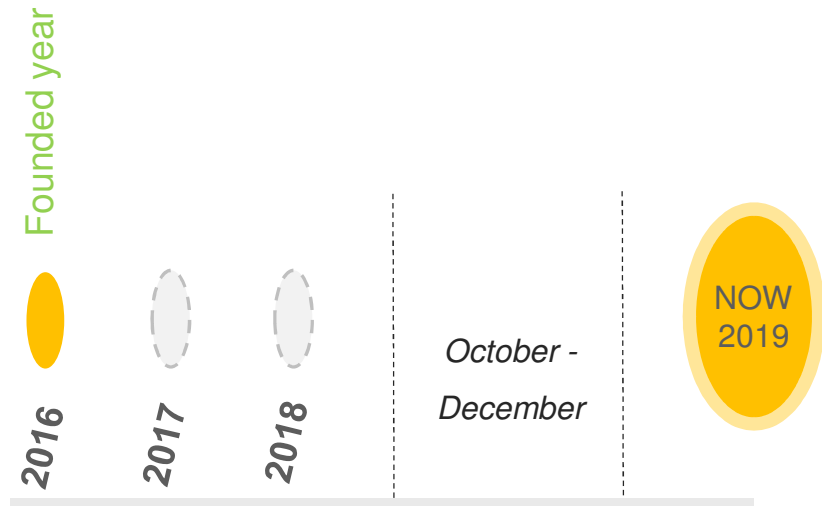

IE ENGINEERING Co., Ltd was founded in 2016. Initially, the business idea of IE ENGINEERING was created to bring the best solutions to the Electronic & Automation System of the factories in Vietnam.

Nowadays, smart machines help people touch the convenience. With the business idea, the solutions were created and developed to get high productivity, save time, reduce the cost.

We also focus on centralized control of a production line, lighting and other systems through a building management system or building automation system (BAS). The objectives of automation are reduction in energy consumption and operating costs, and to improve life cycle of utilities.

Our goal at IE ENGINEERING Co., Ltd is to supply our customers with superior quality products at affordable prices, delivered on time and backed up with consistent after sales service and technical support they can rely upon.

## Company Profile

## IE ENGINEERING CO., LTD

Registration Add: Dai Hoang 1, Tan Dan village, An Lao district , Hai Phong, Vietnam

Office Add: Tran Tat Van street, An Lao district, Hai Phong city, Vietnam

Tax Code: 0201751253

Bank Account: 0031000271100 - Vietcombank, Hai Phong branch

## Connector and Socket Products

- ❖ **Wire-to-Board** Connectors
- ❖ **Wire-to-Wire** Connectors
- ❖ **Power** Connectors
- ❖ **Micro** Connector
- ❖ **I/O** Connectors
- ❖ **Backplane** Products
- ❖ **FFC - FPC** Connectors
- ❖ **Terminal** Blocks  
and **Barrier** Strips

# PRODUCT CATEGORIES

---

## Wireless Application Solutions

### LTE Cellular Antennas

### Internet of Things (IoT) Antennas: Wi-Fi, Bluetooth, Zigbee

### GNSS/GPS Antennas

### External Antennas

### Near Field Communication (NFC) Antennas

# PRODUCT CATEGORIES

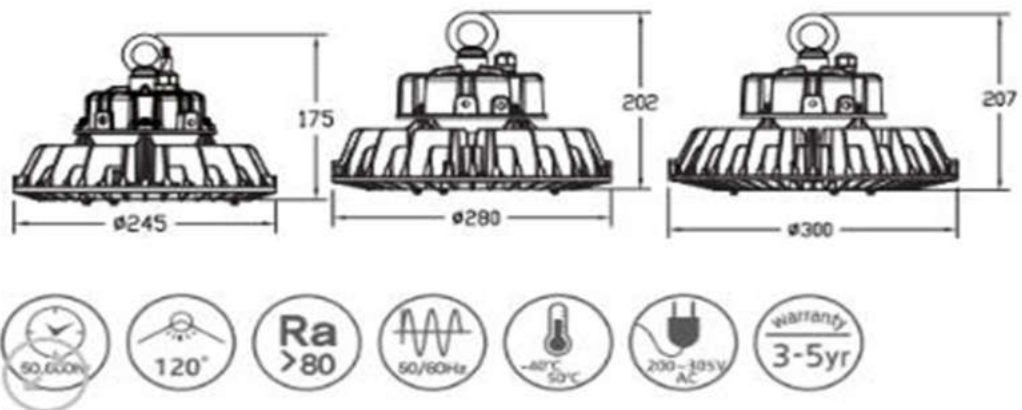

## Factory LED Lights

### LED Lights manufacturer in Korea

*"High energy savings, Quality reliability and excellent customer service".*

# PRODUCT CATEGORIES

## System Home & Indoor lights

# PRODUCT CATEGORIES

## Industrial Automation

Temperature controller

Counter / Timer

Panel meter

Recorder

Sensor / Encoder

TPR / SSR / SMPS

Push button switch & Combination display

Limit / Micro switch

Power / Main / Cam switch

Hoist / Foot / Level switch

Sign tower / Signal light

Buzzer / Terminal block
